How many are acquainted with the mannerisms of God?

Jeremiah 29:11

Reading from Amplified Version of Jer 29:11-13

He is the solution to every challenge, every problem

You're not following Him if you fail to get a solution to any problem

Give me, forgive me is not a serious Prayer. Become serious about finding Him

When you choose to behold the situations in their negative sense, you may not benefit from them.

God is a Spirit. He needs a body, that body might be a tree, a wall, a person or a monkey

Do not wait for the Spectacular. Not all Spectacular is Supernatural

The source of our words is the Spirit

Dominion is a higher place of living

Do you know the God you're serving, can you express Him to others when give the opportunity to? What will tell them?

To know God you need to know Jesus and the Holy Spirit

It is hard to exercise His authority when you're not established in the Love walk

Whatever it is, PROPHESY TO IT! (Ezekiel 37:1-11)

WHEN YOU GET TO UNDERSTAND YOUR PLACE, YOU SPEAK

PROPHESY!!

Bone to Bone, they know where to connect
